

21st Postgraduate Course on Lysosomal Storage Disorders

Nierstein (Mainz), Germany
26 – 29 June 2024

Dear Colleagues,

It is a great pleasure for me to announce the 21st Postgraduate Course on Lysosomal Storage Disorders in Nierstein.

The Postgraduate Course on Lysosomal Storage Disorders in Nierstein has a long-standing tradition. It is aiming at improving the knowledge on Lysosomal Storage Disorders in young colleagues. The special atmosphere and the interactive character of the course makes the course unique and often results in long-standing cooperation between participants and faculty members.

I encourage young colleagues from all over the world to apply to this course.

We will be happy to welcome you in Nierstein!

Prof. Julia B. Hennermann
